

Help Homeless Pets - CASA Kennel Sponsorships

Cat Suite

CASA Cat Suites are multi-room cat Condos. These suites house cats of all ages. Litters of kittens, senior cats, or adult cats with special dietary needs or cats that do not prefer the company of other cats. Your donation of \$750 sponsors all three rooms of this suite for a full year. (1/2-year options available) This helps cover the cost of food, supplies, and offset the cost of veterinary care. This space will house between 20-40 cats in a sponsorship year.

**CASA cat suites are located in our lobby with high visibility.*

Dog Suite

Dog Suites are one of our 11 indoor-outdoor dog kennels. These suites hold stray and adoptable dogs of all ages. Your donation of \$1,250 sponsors one of these kennels for a full year. (1/2-year options available) This helps cover the cost of food, supplies, and offset the cost of veterinary care. This space will house between 5-12 dogs a year.

**CASA was a temporary home to 196 dogs in 2025. These dogs have found their way to CASA as strays, owners surrenders, or when their owners pass away. CASA ensures tailored care to keep our dogs happy and healthy. This includes veterinary visits, training, and enrichment activities.*

Kitten Suite

CASA's Kitten Suite is an isolated room used to house groups of kittens or senior cats. Your donation of \$1,500 sponsors this room for a full year. (1/2-year options available) This helps cover the cost of food, supplies, and offset the cost of veterinary care. This space will house between 30-50 cats a year.

**Did you know CASA took in 199 kittens in 2025. Most kittens arrive to us as stray litters found on Camano Island, or as owner surrenders from accidental pregnancies from owned pets. CASA ensures each kitten is happy and healthy before adoption. This includes spay and neuter, vaccinations, treatment for worms and fleas, and microchips implantation.*

Cat Room

CASA's Cat Room is a free roaming colony room that features cat condos to house additional cats. Your donation of \$2,000 sponsors this whole room for one full year. (1/2-year options available) Sponsorship helps cover the cost of food, supplies and offsets the cost of veterinary care. This space houses up to 15 cats at a time and houses up to 100 cats a year.

**Last year CASA took in 390 cats and spent over \$65,000 on feline veterinary medical care ensuring each cat was brought to optimal health before being adopted.*

CASA is limited on the number of sponsorships available. Once the room has been sponsored it will remain reserved until sponsorship expires. Please email director@camanoanimalshelter.org to inquire.

Camano Animal Shelter Association

Help animals in need by sponsoring one of our many animal housing suites. In 2025 CASA welcomed 593 animals through our doors, providing the love, care and support they deserve while they wait for their forever home. CASA is dedicated to providing quality care to these homeless pets. This comes at a cost. CASA relies on the generosity of charitable contributions from community members like you to support our mission. Your donation allows us to continue helping those animals in need and support our community.

Support Shelter Pets in Need - Sponsor a Cat or Dog Suite

Sign up to sponsor one of CASA's many dog or cat suites. This is a wonderful way for individuals or businesses to demonstrate their support for the homeless animals in our community. Your kennel sponsorship helps provide the animals with food, shelter, and care while they await their forever home. It is also a tremendous way to advertise your business, honor a loved one, and give back to your community.

Our sponsorships will be available for cat kennels, dog kennels, cat colony, and our cat/kitten suite. They cover a 6 or 12-month period. A custom-engraved plaque will be displayed on the suite for an entire year. In addition, you will receive a certificate of appreciation and updates on tenants of your sponsored space

Mail application and payment: CASA P.O. Box 1726 Stanwood, WA 98292
